Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

A. If a Discharge Limit for Property Damage is entered in the Schedule, the following applies:

With respect to the premises identified in the Schedule, we will pay for direct physical loss or damage to Covered Property, caused by or resulting from discharge of water or waterborne material from a sewer, drain or sump located on the described premises, provided such discharge is not induced by flood or flood-related conditions.

The aforementioned references to flood include surface water, waves (including tidal wave and tsunami), tides, tidal water, and overflow of any body of water, including storm surge.

For the purpose of this endorsement, the term drain includes a roof drain and related fixtures.

B. If a Discharge Limit for Business Interruption is entered in the Schedule, the following applies:

With respect to the premises identified in the Schedule, we will pay for business income loss and/or extra expense in accordance with the terms of the Coverage Form applicable to such premises under your policy, when such loss or expense arises out of the direct physical loss or damage described in Paragraph A.

- C.** There is no coverage under this endorsement if:
- 1.** The discharge results from an insured's failure to perform routine maintenance or repair necessary to keep a sewer or drain or a sump, sump pump or related equipment free from obstruction and in proper working condition. This limitation does not apply to sudden mechanical breakdown of a sump pump or its related equipment, provided the breakdown is not the result of an insured's negligence; or
 - 2.** Sump pump failure is caused by or results from failure of power, unless this policy is endorsed to cover power failure affecting the described premises.
- D.** To the extent that the Water Exclusion might conflict with the coverage provided under this endorsement, the Water Exclusion does not apply to such coverage.
- E.** We will not pay the cost of repairing or replacing a sewer, drain, sump, sump pump or any related parts or equipment.
- F.** The most we will pay under this endorsement, for the total of all covered loss and expense, is the applicable Discharge Limit shown in the Schedule. Such Limit is part of, not in addition to, the Limit of Insurance applicable to the Covered Property, business income or extra expense.
- G.** If the Annual Aggregate Limitation is shown as applicable in the Schedule, then the following applies:
- The applicable Discharge Limit is an annual aggregate limit and as such is the most we will pay for the total of all covered loss and expense caused by all occurrences in a 12-month period (starting with the beginning of the present annual policy period), regardless of the number of occurrences during that period of time. Thus, if the first occurrence does not exhaust the applicable Discharge Limit, then the balance of that Limit is available for a subsequent occurrence. If an occurrence begins during one annual policy period and ends during the following annual policy period, any Discharge Limit applicable to the following annual policy period will not apply to that occurrence.
- H.** All policy provisions apply to the coverage provided under this endorsement unless otherwise indicated, including the Deductible for direct physical loss or damage and the "period of restoration" for business income and extra expense. If an occurrence results in loss payable only under this endorsement, the Deductible applicable to Fire will apply to this endorsement. But if an occurrence also causes other loss or damage that is paid under this policy, a separate Deductible will not apply to the loss or damage covered under this endorsement.
